A little bit about Miss Livesey and Mrs Islam...

Miss Livesey

I started working at St Stephens in 2004 as a Teaching Assistant supporting children with Special Educational Needs and later qualified as a HLTA and began teaching classes across school. I became the Learning Mentor in 2014. St Stephen's School is a great place to work and I am proud to say I have seen many children achieve throughout their school years from Reception to Year 6.

Mrs Islam

I work as a learning mentor and will be focusing on improving pupil's attendance. I have previously worked in primary schools and have also supported young carers. I am a mother of 2 children; a girl and a boy. They are both the light of my life, though motherhood comes with its challenges! Please feel free to drop by for a chat.

The Role of the Learning mentor

 - Supporting families who are experiencing difficult times for example financial crisis, family breakdown etc.
 - Providing help for families with any worries they may have in regards to their children's education, behaviour and well-being.
- Mrs Islam also works with our school attendance officer, Mrs Valentine, to support families to improve attendance and punctuality.
- Miss Livesey also works closely with Teaching Assistants, Teachers and the Emotional Literacy Support Assistant to co-ordinate and manage the nurture provision for the children.
