

Our trip to meet the
refugees

The gifts we gave!

- When we went to the church we gave the refugees the boxes out.
- We took pictures with them.

They were really thankful and loved the gifts

Games!

We played games like pass the parcel and we won some chocolate.

The Boxes

- Altogether we gathered over 50 boxes and we even gave some big ones for the ones with bigger families.

Our reflections

We enjoyed seeing the smiles on their faces when we gave the presents. Their faces lit up with delight. We felt very proud. It is good to help people, especially at Christmas.
