

Class Presentation Assemblies: 2022/23 and Long Term Values Worship Plan

Theme for the year: “We can be Heroes”

This overview identifies how the church “Open the Book” drama group’s story can be linked to Christian Values which are mapped out for the year. Class Presentations at the end of an “Open the Book Week” will be a presentation on these key values and reflection of the story and its relevance to modern day. Please inform HW well in advance of any necessary changes. Cancelling an assembly or postponing at short notice should be avoided as parents will be informed of assembly dates through newsletters.

Autumn Term Hall Display – “We can be heroes” Celebrating our Super powers. Each designated class display board to show every child’s face with a speech bubble about that child’s talent which they could use for good. This display to stay up over the year so please laminate pictures and use laminated borders. Rainbow tree in the entrance to celebrate each child’s super power on their coloured hand. Each class will then celebrate a hero/es on the values display board in the main corridor after their assembly so that the values board changes over the year. This can also be used as a focus for your class’s chosen charity. Remember, it doesn’t have to be about collecting money. Charities can be supported with general donations and sharing of their work.
