What does it mean to be in a team and how do the clips show that the players value one another?

Paul Cookson, loves football. His poetry speaks of the love, passion, teamwork, highs and lows in his favourite sport. Read his poem, do you think he believes in a game where everyone should be allowed to enjoy football if they want to? What does this tell us about the world

God has given to us and how we should share it?

Celebrate the poem and prayer for a world where all may one day feel valued equally and included as part of a team.
