

	Week 1	Week 2	Week 3	Week 4	Week 5	Week 6	Week 7	Week 8	Week 9	Week 10	Week 11	Week 12
Autumn	Baseline			Number – counting and recognition Mastery approach			Shape, space and measure – 2D shape/ 3d shape		Shape, space and measure – money/time	Number – addition and subtraction	Number – counting and recognition	
Spring	Number – counting and recognition addition and subtraction Problem solving	Number – addition and subtraction /money Problem solving	Shape, space and measure – size, weight and capacity Problem solving	Shape, space and measure – 2D shape		Number – addition and subtraction / counting and recognition Problem solving	Number –		Shape, space and measure – 3D shape Problem solving	Shape, space and measure - time		
Summer	Number – counting and recognition/ addition and subtraction Problem solving	Shape, space and measure – position and distance	Number – addition and subtraction, doubling, halving and sharing/ estimation Problem solving		Shape, space and measure – money/weight	Shape, space and measure – position and distance	Shape, space and measure – 2D shape	Number – counting and recognition / multiplication and division Problem solving	Number – addition and subtraction multiplication and division	Consolidation
