We follow the Early Years Foundation Stage for all children up until the September following their 5th birthday. Each child will have a key worker who will carry out observations of your child's play and learning. This will enable us to cater for individual interests and needs for your child's learning and development. We would be grateful for any assistance if and when required.

Refreshments

A healthy range of snacks are provided, these include drinks, light dishes or fruit on a daily basis. We have a kitchen area for preparing such snacks which the children will be encouraged to help with. For a full list of snacks/menu see the notice board in our after school club room. We aim to cater for all the children, considering special dietary requirements when necessary.

Fees

From Sept 2019 the fees are £8.00 per session per child payable weekly or monthly in advance. We also offer places up until 4.00pm for a fee of £2.00. We are happy to accept childcare vouchers and similar assistance schemes. Fees should be paid directly through the Parentpay system we have in place at school.

Places for children

Children can attend for any number of nights per week. If you wish your child to attend places/fees need to be booked/paid for a week in advance. This can be booked through the School Comms app. Emergencies will be considered. Once a place is booked no refunds will be given.
